## ANNUAL NOTICE

### PROTECT YOUR CHILD FROM LEAD POISONING AND WINDOW FALLS

New York City law requires that tenants living in buildings with 3 or more apartments complete this form and return it to their landlord before February 15, each year. If you do not return this form, your landlord is required to visit your apartment to determine if children age 10 years or younger (under 11) live in your apartment. If young children live in your apartment, the law requires your landlord to inspect for and properly install window guards and to inspect for and safely repair peeling paint.

#### Peeling Lead Paint

By law, your landlord is required to inspect your apartment for peeling paint and other lead paint hazards at least once a year if a child age 6 years or younger (under 7) lives with you.

- You must notify your landlord in writing if a child under 7 comes to live with you during the year.
- If a child under 7 lives with you, your landlord must inspect your apartment and provide you with the results of these paint inspections.
- Always report peeling paint to your landlord. Call 311 if your landlord does not respond.
- Your landlord must use safe work practices to repair all peeling paint and other lead paint hazards.

These requirements apply to buildings with 3 or more apartments built before 1960. They also apply to buildings built between 1960 and 1978 if the landlord knows that lead paint is present.

#### Window Guards

By law, your landlord is required to install window guards in all your windows IF a child age 10 or younger (under 11) lives with you, OR if you request them (even if no children live with you).

- ONLY windows that open to fire escapes, and one window in each first floor apartment when there is a fire escape on the outside of the building, are legally exempt from this requirement.
- It is against the law for you to interfere with installation, or remove window guards where they are required. Air conditioners in windows must be permanently installed.
- Window guards should be installed so there is no space greater than 4½ inches above or below the guard, on the side of the guard, or between the bars.

These requirements apply to all buildings with 3 or more apartments, regardless of when they were built. Fill out and detach the bottom part of this form and return it to your landlord.

#### Please check all boxes that apply.

- \_\_\_\_\_ A child age 6 years or younger (under 7) lives in my apartment.
- \_\_\_\_\_ A child age 10 years or younger (under 11) lives in my apartment and:
